**An Interfaith service of comfort and hope for those who have experienced a loss and find themselves feeling especially "blue" as the holidays approach.**

### **Loss and Loneliness**

If you've lost a loved one, your health, a job, a relationship or a dear pet, the holidays can be lonely as you mourn and struggle, too often by yourself.

### **Light and Hope**

This Interfaith service will bring us together to hear God's Word shine light into this darkness and offer a glimpse of a new "hello" of hope and light.
